SUN BEAMS

by WALTER M. BARRETT

Truckee has two major "industries" Not, mind you, industries as they are usually classified, but nevertheless cash-dividend paying businesses, and both at the present are sadly in need of moral and financial support. We refer to our summer and winter recreational programs, principally fishing and snow sports. At the present time the Sierra Fish Planting Club and the newly reorganized Truckee Outing Club are putting on a determined drive for memberships. These memberships are not for the benefit of the clubs as organizations, but for the entire community. Dues are trivial as compared with the huge returns which can be anticipated. Fees have been fixed so that everyone can participate, but have been made so low that unless everyone does help trouble will be encountered in putting over the two contemplated programs. Every local citizen should consider it a privilege and a civic duty to lend a hand. In past years, the cost of operating these two vital "industries" has been borne by a comparative few and under the current plans costs will be so divided as to make it an equitable proposition. and not work hardship on any small group. The two clubs will carry on effectively, but they must have your help.

With a lengthy week-end in prospect following Memorial Day, hundreds of thousands of motorists will take advantage of the opportunity to take trips here and there. As a result, highways may be congested at times and all drivers are urged to travel with utmost caution. Courtesy and carefullness may save a life.

The hum of activity prevails in the Lake Tahoe region as resort owners and businessmen prepare for what has all indications of being the busiest season the lake has ever experienced. With the Lake Tahoe-Sierra Association functioning 100 per cent and with all resort men pulling together, prospects are indeed bright for the season. Many improvements are taking place to provide for the comfort, convenience and pleasure of the vacationist and those who choose Tahoe this year will find the atmosphere entirely harmonious and ideal for rest or recreation.

Don't fail to refer those transient solicitors and peddlers to your chamber of commerce before ordering or buying.

FILMS SHOW WORK OF FOREST SERVICE

Through the courtesy of Harlow Magnussen of the Mono National Forest at Carson and District Ranger H. I. Snider of Tahoe National Forest, members and guests of the Truckee Lions club last night viewed talking pictures of three important subjects. The first showed the work done in forest nurseries where young trees are planted and prepared for reforestation, the second of the valuable government soil conservation work in the dust bowl area and the third of winter sports as prepared under the forest service.

Other guests included Bert Daniels of Arcadia, G. E. Benadum of Meeks Bay and Vernon Nelson of Truckee

OPERETTA PROVES TO BE SUCCESS

A capacity audience attended the operetta The Gipsy Rover given by the pupils of the local grammar school Tuesday night.

Under the direction of Mrs. Jennie Watkins, music by Mrs. George Kamp and scenery by P. R. Nelson, the presentation was rated as outstanding by the spectators.

From Auburn—

Bert A. Cassidy, publisher of the Auburn Journal, was a visitor in Truckee this week.

Lookout—

Frank Mahr has assumed his lookout duties with the Tahoe National Forest in Truckee this week.

Visitors Here—

Leland Laity and Donald Hummel of Sacramento were week-end visitors at the W. H. Laity home here.

Week-end Guests—

Mr. and Mrs. Harold Hart had as their guests during the latter part of the week Mr. and Mrs. H. Kuehne of Yerington, Nevada, Maurya and Louise Wogan of Reno and Mr. and Mrs. P. L. Gottardi of Loyalton. The latter is superinetnedent of schools in Sierra county.

Error Reveals Two Posts On Board Vacant

Snider's Term Expires but He Will Be Write-in Candidate

ELECTION ON JUNE 7th

Three Positions on Boards To Be Filled at Local Balloting

Due to an error or misunderstanding, notices have been ordered published by the trustees of the Meadow Lake Union High School declaring only one candidate for the board would be elected at the polls June 7th. Now comes the announcement from the board and the county superintendent of schools that two members shall be elected.

The terms of H. I. Snider, president of the board, and Mrs. Frank Titus expire. The latter will not seek re-election and Vernon Pearson has filed for the office. Snider, it is understood, will be a write-in candidate for re-election. According to Mrs. Lotta Bryant, clerk of the board, Snider has received letters from the civil service commission and the regional forester that he is permitted to serve as a member of the board. He did not file for the post because of a misunderstanding in regards to his position as district forest ranger.

Only one name, that fo Pearson, will appear on the ballots, but two trustees must be elected, the second by write-in.

on the grammar school board at the same time. Mrs. George Kamp, incumbent, is opposed by C. J. Bowers for the position.

MARTIN OROZ FETED ON 10th BIRTHDAY

A surprise party was given in the home of Mrs. Clair Goode to honor Martin Oroz, who celebrated his tenth birthday on Wednesday afternoon with nine young friends.

Sweet peas, vari-colored ballons and favors gave a festive air to the rooms and refreshment table which was centered with a birthday cake.

Games occupied these guests during the afternoon Eugene Gini, Buddy Pitts, Humbert Ciardella, Duane Freeman, Bert Weeden, Jr., Everett Kullenbach, George Pace, Jr., and Mary and Bobby Tonini.

HEALTH MEETING AT AUBURN CALLED

AUBURN, May 30—A public meeting to consider the establishment of a full time health department for Placer county will he held with the county supervisors on June 4th at 10 a. m.

The need for this service recently was studied by the Placer County Tuberculosis Association and their findings and recommendations were published and distributed in booklet form.

ABROGAST SEEKING RE-ELECTION VOTE

Cary S. Arbogast, chairman of the board of supervisors of Nevada county, announced his candidacy for re-election to the board this week.

Arbogast has been head of the county board for the last two years of his eight years in office.

At Long Pine—

Mr. and Mrs. Karl Kielhofer and daughter, Pernann, and Mrs. A. Filipcic, were guests of Otto Brauer of movie fame at Long Pine over the week-end.

In San Francisco—

Mrs. R. P. Bick was in San Francisco last week.

To Bay City—

Miss Stella Zorich and Miss Yvonne Garrison were San Francisco visitors during the past week.

Chamber of commerce luncheon will be held at Besio's on June 3rd.

INDEPENDENCE LAKE CLOSED TO TRESPASS AS SEASON IS OPENED

With Webber, Independence and other lakes, streams and tributaries opening legally for trout fishing on May 30th, F. W. Gaiennie, local manager of the Sierra Pacific Power Company, owners of the lands at Independence said he had received word from ocmpany officials that that lake would be closed to trespassing even after the legal fishing date arrives. The lake is closed, he said, because of construction and improvement work being undertaken.

The Truckee River, its tributaries and Donner and Tahoe lakes have been open since May 1st while other streams and lakes have been protected.

Fishing conditions are reported better than fair and hundreds of fishermen have arrived for the second opening.

TEN ARRESTS FOR WEEK-END REPORTED BY LOCAL OFFICERS

While no accidents were reported by state highway patrolmen during the past week, ten arrests were made, according to reports by Patrolmen Arthur C. Barrick and Ellis P. McCann.

McCann announced that June 3rd will be the last day to obtain chauffeur and operator license examinations at the local station until July 1st, because of the vacation period next month.

Arrests reported were:

Frank M. Nease, Truckee, passing on curve; Stacy C. Alderson, Sacramento, speeding; Donald J. Fox, Sacramento, careless driving; Arthur H. Criss, Sacramento, speeding; Kent E. Wallace, Reno, speeding; Roy E. Mountain, Sacramento, failed to halt at boulevard stop; John C. Epler, Arcadia, improper passing; Lee Scott, Marysville, reckless driving; James M. Hayes, Sacramento, speeding; Curtis M. Folk, Reno, hit a band of sheep.

JUNIOR PATROL IN PICNIC AT DONNER

This afternoon the Junior Game Patrol is holding a swimming and picnic supper party for the members at Donner Lake with the following committee in charge of arrangements Jim Preston, George Keetch, Jim Thomas and Dick Weeks.

Drills, games and induction of new members occupied the group last Thursday.

BAND MEETING IS CALLED TUESDAY

Because of many counter attractions, attendance at the band meeting Tuesday night was far from normal, only a few of the 35 potential band members being present. Prof. Henry Risser, instructor, said that some confusion has resulted from the fact that members must sign up for a year. This, he said, was felt necessary to assure the success of the program. However, in order to get the band organized, this provision has been eliminated and contracts are not needed.

Members are assessed $5 per month but are given individual and group instructions in two instruments, one band and one orcehstra piece, Risser said. He urged parents to co-operate and asked that all attend the meeting next Tuesday evening.

WORK STARTED ON MEEKS BAY HALL

Work was started last week on the new H. & W. Philantropic club's new building at Meeks Bay, bringing to a head months of work and planning by the industrious club members. The Hollenbeck Brothers are handling the work and the club house will be a major asset to the region. Meetings next fall will be conducted there, it is hoped.

Vistiors Here—

Mr. and Mrs. Vernon Pearson entertained Mr. and Mrs. W. W. Thompson of Redwood City and Mr. and Mrs. A. L. Darrow of Oakland this week.

Plans Progress On Local Winter Sports Program

Inaugurate Drive to Promote Development of New Location

FOREST SERVICE AIDS

Relief Labor May Be Secured To Assist in Local Program

In preparation for one of the most concerted membership drives and promotional campaigns in the winter sports history of Truckee, more than a score of members of the revamped Truckee Outing Club met last week at the fire station to elect officers and outline plans for the future.

Yell Nobles, manager of the Bank of America branch here, was elected president of the club, succeeding R. W. Siebold. C. J. Bowers was elected vice president, Vernon E. Pearson, secretary, and C. B. White, treasurer. Directors appointed at the meeting were discharged following the election and a new board is expected to be chosen in the near future.

The next meeting, to which the public is invited, will be called by Nobles, at which time the meeting place will be designated.

Forest Ranger H. I. Snider reported that he had contacted owners of the land south of Truckee, desired for winter sports activities, and that satisfactory arrangements were being completed. It is hoped to employ relief labor, supplemented by local supervision, to clear the grounds and prepare for the winter sports program.

TICKET SALES FOR SHOW-OFF SPEEDED

Ticket sales for The Show-Off, the Truckee Lions club's benefit home-talent play to be presented at the grammar school auditorium Saturday, June 8th, indicate that the affair will be a huge success. The cast is rehearsing every night putting the finishing touches on the production.

The show will be presented at Tahoe City on Monday, June 10th.

ROTARY CLUB IS HOST TO LADIES

More than 100 Truckee Rotarians and their guests enjoyed the hospitality of Mr. and Mrs. Oscar Jones at Soda Springs Monday evening when the local clubmen held a Ladies Night program and dinner at the summit resort. Motion pictures, music and dancing added to the evening's festivities. President Vernon Pearson was in charge of the arrangements. Hank Corrigan of the state board of equalization, was the main speaker.

FIRE AT TAHOE THREATENS RESORT

Fire starting in one of the small cabins back of the Buckhorn Inn at Lake Tahoe this week threatened that resort before the forest service crew from Tahoe City arrived to confine the flames to the one building. The damage was not great, Forest Ranger H. I. Snider reported.

LIBRARY COMMITTEE NAMED BY CHAMBER

Mrs. S. Marshall Richardson, who recently returned from San Francisco where she spent the winter, has been appointed chairman of the Truckee chamber of commerce committee working toward procuring a county library. For many years, Mrs. Richardson has worked to have a library established and has assembled many facts and figures to bear out the small expense and great necessity for the institution.

Western Union Man Here—

Carlisle Davidson, who operated the Western Union office here last summer, has returned to resume the work at the local ticket office of the Southern Pacific.

RED CROSS SEEKS RELIEF FUND FOR WAR SUFFERERS

C. B. White, Truckee chairman for the American Red Cross chapter of Nevada county, announces that in line with other chapters throughout the United States, donations are being accepted for relief of the unfortunate war victims in Europe. The daily press reveals how much these funds are needed and it is hoped that as in the past, Truckee will far exceed its quota. Donations may be left with Mr. White or at the office of the Sierra Sun and Truckee Republican.

FIVE INITIATED AS PYTHIAN SISTERS HOLD LOCAL MEET

Mrs. Charles Heller of Meeks Bay, delegate to the grand lodge of the Pythian Sisters at Marysville last week was honored by an appointment as district deputy at the convention.

Mrs. Heller who returned Friday, will give a full report to the Summit Lodge No. 79 on June 13th.

Five were initated into the local lodge on May 17th and included Mrs. Gene Barton and Mrs. Elmo Granata of Reno and Karl Kielhofer, Jr., August Sassarini and Irving Waters.

Lou Garris of Santa Maria, grand chief, Florence Mansfield, grand recorder of correspondence of Merced and Mrs. Swick grand chief of Nevada, made an official visit and enjoyed the ceremony.

SERVICE PLANNED FOR GRADUATES

The baccalaureate service for the senior class of Meadow Lake Union High School will be held in the Community Methodist Church on Sunday morning at 11. Rev. G. J. E. Keetch will conduct the service. All members and friends of the class are cordially invited to attend.

PYTHIAN DANCE IS ANNOUNCED SUCESS

The annual Knights of Pythias dance held last Saturday night proved to be an outstanding social event and more than 100 couples attended the affair. The hall was nicely decorated by Robert Siebold, chairman of the committee in charge, and his assistants. A large number came from Lake Tahoe points to swell the jolly crowd.

DAUGHTER BORN TO ENGLEHARTS

William Englehart, Jr., was passing cigars on Saturday evening when friends learned of the birth of his daughter in Sutter Maternity hospital in Sacramento on Friday. The young lady, who weighed 7 pounds and one ounce, has been named Irene Estelle. She is the first child of the young couple.

Mrs. Englehart and the baby were reported to be doing nicely by Mr. and Mrs. William Englehart, Sr., the proud grandparents.

TAHOE THEATER IS OPEN FOR SEASON

V. C. Shattuck, manager of the Tahoe Theater at King's Beach, announces that the popular playhouse there is now opened for the season. He has been in San Francisco billing a large number of the best pictures for the King's Beach house.

DR. COZZALIO WILL HAVE RENO OFFICES

Dr. C. C. Cozzalio, who for many years conducted a dental office here, announces that after June 10th he will be associated with his brother, Dr. A. A. Cozzalio in the offices of the late Dr. T. Suffall in the Medico-Dental building in Reno.

Dr. Cozzalio said he would maintain his home here and commute between Reno and Truckee. He is inviting patients and friends to visit him in his new location.

Former Residents Here—

Dr. and Mrs. R. O. Schofield of Sacramento were guests of Mr. and Mrs. A. P. Leitch on Wednesday before going to Lake Tahoe.

Large Allotment Of Trout Slated For Local Water

Truckee River May Have 600,000 Trout For Restocking

REPORT ALLOTMENTS

Membership Drive Started to Aid Local Streams This Year

With the state tentatively preparing to plant more than five million trout of the three most popular varieties on the east and west slopes of the Sierra in this region during the coming months, members of the Sierra Fish Planting Club are making a concerted effort to raise the fishing standards in this locality and the first step is the inauguration of a membership drive to secure sorely needed funds.

Plans for the drive were made at a meeting held Tuesday night with President E. L. Loynd presiding.

Game Warden William LaMarr, who attended the meeting, reported on the recommended fish planting allotments which will include the following:

Truckee river from Lake Tahoe to Truckee—250,000 Loch Leven and 150.000 rainbow.

Blackwood Creek—20,000 rainbow.

Ward Creek—10,000 rainbow.

Tahoe Lake—480,000 rainbow.

Webber Lake—30,000 rainbow.

Little Truckee River—75,000 rainbow (in Nevada county.)

Prosser Creek—45,000 rainbow and 20,000 Loch Leven.

Sage Hen Creek—10,000 eastern brook.

Juniper Creek—8,000 eastern brook.

Martis Creek—30,000 eastern brook.

Donner Lake—10,000 Loch Leven.

Cold Stream—20,000 rainbow.

Euer Valley, Frog Lake and other streams and lakes will also receive allotments. It is expected that in addition to the 400,000 scheduled for the Truckee river, 200,000 rainbow will be raised and planted by the San Francisco Flycasting Club and the Sierra Fish Planting Club later in the year.

RETIRED RAILROAD MAN RECALLS EARLY DAYS OF TRUCKEE

William B. Woods who retired recently following 42 years of service as a Southern Pacific conductor, lives with his wife in Sacramento. She is the former Hattie Stoll of Truckee. The ceremony was performed in Sacramento in 1892 in St. Paul's church, then located between I and J streets on 8th, since replaced.

On March 10, 1898, Woods became a brakeman for the railroad at Truckee, working between here and Wadsworth, Nev. He made his first student trip with Conductor Warren Rogers, who may be recalled by the old-timers.

Both Mr. and Mrs. Woods are natives of Nevada county and he had considerable to do with the building of Sparks, Nev., having charge of the trains that hauled the houses of the employes from Wadsworth to Sparks.

Mrs. Woods recalls the hard winters of 1886 and 1889 in Truckee—with trains stuck in the snow for three weeks at a time and it was necessary to tunnel under the snow to cross the street.

In the winter of '86 a show troupe in one of the stalled trains, one of the lady midgets froze to death and her body was brought to Truckee and lay in the Stewart-McKay hotel where the public could view the remains. She was so small her hands were easily slipped through the ring on the bottoms of the curtains then used to shade passengers from the sun when lowered.

GIVE REPORT

Frank Gaiennie and Ben Tonini, delegates to the grand lodge in Marysville, gave a full report at the last meeting of Summit Lodge No. 54, Knights of Pythias. Two candidates will be inducted into the rank of Page tomorrow night.

EDITORIALS

BUILDERS, NOT DESTROYERS

With a mighty fanfare of music, spech-making, and gala festivities, Treasure Isalnd in San Francisca Bay threw wide its gates to the world last week-end while visitors by the thousands crowded pavilions, exhibits and stately courts.

Grandpa and grandmother were there in an eager holiday mood, so were the young people, and the children, wide-eyed boisterous and excited. Overhead in the sky droned no death-dealing bombers, nowhere did fierce engines of war threaten the peaceful merry-making of the day.

For thsi was—and is—America, and the thousands who thronged the island fair in San Francisco Bay, came to pay tribute to the great, enduring fruits of man's genius which have added to the health, wealth and happiness of mankind—his slow, but continuing, conquest over disease, his mighty prowess in hurling mammoth dams across torrential rivers, his strides forward in enriching and conserving the earth which sustains all life, his wizardry in fashioning new and better textiles and materials to clothe and house him, his increasing labors throughout all the wide fields of the arts, the handicrafts and he sciences. Here, on view, for all to see was not man, the destroyer, but man, the builder.

As an observer once before said, the nations abroad didn't send bombs. They sent what they were mos proud of—their great constructive achievements which make for peace, prosperity and happiness. To observe, in a multitude of exhibits, man as builder is to renew faith in man's capacity to ultimately build a world, if he chooses, where the furtherance of peace, prosperity and happiness wil reign as the mainsprings of conduct.

BROKEN WHIP LASH

Federal Judge Leon R. Yankwich, trial judge in the mail fraud case against the Pacific States Building and Loan Company, took the prosecution to task a few days ago when the federal prosecutor began introducing testimony that Robert S. Odell, president of the company, had contributed campaign funds to Postmaster General James Farely and to Raymond L. Haight, one-time candidate for governor.

If the prosecutor could show that the funds of the company had been illegally diverted, or that money was contributed to anyone for corrupt purposes, then the testimony was in order, ruled the jurist. But if such were not the case, he reminded the prosecutor that "There is no law regulating the right of a corporation or individual to contribute to any campaign they may desire."

Thinking, perhaps, of conditions in other countries, where people live under the whip-lash of dictators, Jundge Yankwich added "We should thank God that we live in a democracy and at a time when political contributions can be made!" There is a deserved rebuke in that statement for a good many who pride themselves on taking no interest in politics—and who are quick to question the motives of those who do. The right to vote, the right to champion the man of your choice and to contribute to his campaign if you can afford it, is the right of every American citizen. And Judge Yankwich's rebuke, regardless of the merits of the Odell case as such, was a healthy reminder that this country is still a democracy.

"A Ham and Egger is nothing more than an impatient Townsendite."—Capt. R. R. Hand, special representative for Dr. Francis E. Townsend.

"It is a fallacy that war is a natural and inevitable thing because man has a deep-rooted instinct to fight—after all, our ancestors once had a non-bathing instinct just as deep-rooted." —Dr. Knight Dunlap, U. C. L. A. psychologist.

BADLY WARPED

POLITICAL PARADE

by CLEM WHITAKER

Not since Woodrow Wilson marched to victory unde the slogan, "He kept us out of war!"—only to lead the country into war a few months later—has there been a presidential year as fraught with uncertainty as this year, 1940.

It would be a rash prophet, indeed, now matter how close his relationship with the politicau scene, who would make an unqualified forecast, at the present time, of the outcome in November. Campaign managers for the various candidates are making such statements for public consumption, of course, but privately they admit to as much uncertainty as the voter.

President Roosevelt, admittedly, can win re-nomination at the Democratic National Convention without even a flurry of oppostion —if he wants it. But does he want it? And if he takes it, can he beat the Republican candidate and the third-term bugaboo in November?

The national spotlight has focused more sharply on these questions during the last few days by reason of two developements; one in London, the other in Washington. In London, with England threatened with invasion by Hitler's Legions, Parliament rushed through an industrial conscription bill that placed the Britsh Empire under an iron-clad dictatorship. That development, as it is interpreted in some political circles, will augment opposition to the Roosevelt third-term movement in this country, due to fear that the United States—if drawn into war—might follow in Britains footsteps. And in the national capital, Alfred M. Landon, after lunching with Mr. Roosevelt, gave an interview to newspapermen which is likely to have profound effect on moves in the presidential chess game.

Said Mr. Landon, in commenting on the President's appeal for "unity" in a period of national emergency: Republican leaders will put aside partisanship and co-operate wholeheartedly with the administration, if Mr. Roosevelt will make known his intention not to be a candidate for reelcetion. But "unfortunately any Republican leader who take a position in the present setup is making himself a party to his (Roosevelt's) third or indefinite term move."

Will the President bow out, or will he declare himself in? Thus far, there is no certain indication. Meanwhile, Tom Dewey, the vigorous young New York prosecutor, is making steady headway toward the G. O. P. nomination, but is still not far enough out in front to cinch it. And in the event of a Dewey-Taft-Vandenberg deadlock, Wendell Willkie is conceded a fair chance to stampede the convention. About the only thing certain in the race is its complete uncertainty.

Know Your AMERICA

(Ed. Note: This is one of a series of short articles taken from data compiled for scenes of "America! Cavalcade of a Nation", theme spectacle of the 1940 California World's Fair.)

Half of the Plymouth Pilgrims died during the first bleak winter on the cold New England coast. But, despite the suffering and many deaths, the survivors refused to sail on the Mayflower back to England in the following spring; to a man they remained to make America their permanent home. Their profits from fish and furs enabled them in 1627 to take up the debt which they owed to the London merchants, thus freeing them from interference by a group which had no sympathy with their desire to found a religious community in the New World.

Matthew Murray was Missouri administrator of WPA at $7500 a year. He was exposed in Congress for "irregularities" but remained in office four months longer, when he was convicted of a Federal crime and imprisoned. The WPA then reported to Congress that Murray had resigned "for personal reasons."

Golden Anniversary special! The lowest-priced, full-sized circulating heater ever to bear the Quaker name! Includes many exclusive Quaker features. Its striking design adds a touch of distinction to any room . . . it operates both as a circulating and a radiating heater . . . it is, in short, the greatest price value in the industry . . . an example of Quaker's claim that you get more for your money when you buy a Quaker.

A SMALL DOWN PAYMENT BRINGS YOU UNUSUAL HEATER VALUE!

OUR WEEKLY SERMON

by REV. NATHAN J. STONE
(Moody Bible Institute of Chicago)

TEXT—"My people are destroyed for lack of knowledge." (Hosea 4:6).

These words of the text were spoken about 2700 years ago. Someone will say, "Surely that cannot be true of today." For there was never a time when man knew so much, when he had such amazing forces under his control, when it was possible to enjoy life through the accumulation and acceleration of knowledge.

But the Bible means something vastly different from what the world generally understands when it speaks of knowledge. The world thinks of it in terms of the intellectual, scientific, mechanical, material, the comfort and improvement of physical life. True, we have become more humane in some ways. We have conquered much disease and have prolonged average life. But on the other hand, with our knowledge we have speeded up life's tempo so that tens of thousands more die of heart failure. We have learned how to eat up space with autos, and also to kill 40,000 persons a year and maim a multitude. Increased knowledge has taught us how to be dishonest wthout danger, to swindle with safety, to kill without conscience. And the world trembles this very day in the grip of a great dread because of the terrible power of destruction which increased knowledge has placed in the hands of a few mad men.

Wee know too much. The world is destroyed because of knowledge. We could very well do with less knowledge. But the knowledge of which the Bible speaks is absolutely indispensable, for it is spiritual knowledge—the knowledge of God. And that alone can save the world.

Do you know that "the fear of the Lord is the beginning of wisdom"? That "man does not live by bread alone, but by every word that proceedeth out of the mouth of God"? That "except a man be born again he cannot see the kingdom of God"? Do you know that "God commendeth his love toward us, in that, while we were yet sinner, Christ died for us"? Do you know that if you believe on the Lord Jesus Christ you will be saved, and that if you do not you will not be saved?

"We know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal (indestructible, imperishable) life."—(I John 5:20).

If we do not have this knowledge, assuredly we too shall be destroyed.

GREYHOUND SERVICE CONTINUES IN STRIKE

Declaring that the strike now in progress by some of the drivers did not involve wages, hours or working conditions, W. E. Travis, president of Pacific Greyhound lines, made the following statement this week:

"Greyhound drivers are the highest paid and enjoy the best working conditions of any in the country. It is regrettable, especially at this time when the San Francisco Fair is opening, that the the Brotherhood has seen fit to call a strike over a jurisdictional matter instead of settling it in the proper manner through the courts."

To the thousands who plan to attend the Golden Gate International Exposition, F. W. Ackerman, vice president of the lines, assured dependable service over all routes despite the dispute between the union groups.

"All buses are running on regular schedules," Ackerman said, "and every bus is being operated by a competent, experienced, Union driver, and there is no need for hesitancy on the part of anybody contmeplating a bus trip to San Francisco."

Tahoe Red Cross in Drive For Refugee Aid, Money

TAHOE CITY, May 30— The Tahoe chapter of the American Red Cross is making an extensive campaign for funds to send the suffering civilians of Europe in answer to the national appeal for funds and supplies. Contributions of any amount are gratefully accepted and may be made at the home of Mrs. George Bliss or at Tahoe Branch Library.

A meeting will be held at Tahoe Community Center on Tuesday at 2 p. m. when plans for the campaign will be formulated. All members and friends are urged to attend.

—TRADE AT HOME—

TWO MILLION PONTIACS TO BE MADE BY JUNE 5

Automotive time study men—as exact in their calculations as astronomers—began figuring at Pontiac motor division last week and announced that the two millionth Pontiac will leave the final assembly line at exactly 11:03 on June 5th.

The calculation is based on the exact nature of automobile production: Thus the rear axle of the two millionth Pontiac will be made on the afternoon of June 3rd; the motor block was poured in the foundry on May 15th and will come off the bank on the third. The body—and hundreds of others—will leave the Fisher plant sometime on the morning of the fifth to keep the rendezvous.

Three hundred veteran Pontiacs employes who worked on the first Pontiac and still remain with the company will be at the end of the assembly line to greet the two millioneth.

Besides its constituant materals which come from every part of the United States, the cars tires will contain air shipped from California, and New York water in its radiator. Michigan gasoline will be in the tank and Pennsylvania oil in the crankcase.

The one millionth Pontiac was completed in September, 1935.

Tahoe Collegians

Other college students home now at home for vacation are Miss Lillian Vernon, Charles and Oliver Hendriksen, Charles Peterson and Miss Marilyn Hinkle.

TAHOE STUDENTS IN TOUR OF SIERRAS

TAHOE CITY, May 30— The pupils of the upper grades of Tahoe Lake elementary school, accompanied by their teacher, Mrs. Myrtle Gallinger, went on an interesting overnight trip last week-end. Leaving Tahoe on Friday, the group drove by school bus to Hobart Mills, Sierraville and alng the north fork of the Yuba river to Sierra City and over the Yuba Pass so Downieville. Many ponts of interest in the early days of California history were visited en route. A visit was paid to the school at Sierraville where the principal conducted the group through the school building and grounds. An overnight camp was made at the Carvin mine and many historical tales of the region were related to the children around the campfire by Mr. and Mrs. Robert Watson, who accompanied them.

A visit was made to the nearby office of Pete Land, district ranger, who made a talk on the duties of rangers and allowed them to survey the district with his field glasses.

At Downieville the party visited the office of The Mountain Messenger. Vic Cassidy, the editor, showed the pupils the operation of a linotype and cast their names on lead slugs as souvenriers. Also at Downieville, a visit was paid to the museum where many interesting relics of California history are on display. At the court house the old gallows was shown to the children by courtesy of Sheriff Dewey Johnson. Specimens of ore were brought home by each pupil from the Carvin mine.

Over thirty children and adults were in the group, including Miss June Scheuermann of the Tahoe Lake primary grades.

Road From Bowman Lake To Emigrant Gap is Open

The road to Bowman Lake from Emigrant Gap on U. S. 40 is open and is in good condition, according to the National Automobile club. The road to Meadow Lake is still closed and not expected to be passable for about another there weeks.

The forest service road to Texas Hill via Emigrant Gap is in good condition and nice catches are being had from the North Fork of the American River in that vicinity.

PEOPLE say modern lighting that is "easy on the eyes" makes the eyes feel better . . . And they are right . . . Good lighting brings out the beauty of the home furnishings . . . It aids personal beauty, too.

Light that is glaring brightness or that is dim and gloomy makes hard work of seeing. It causes squints and frowns and scowls and brings on many premature wrinkles and face-lines.

Good, modern lighting merely means the right kind of light, and the right amount of light where you read or sew or use your eyes. And you can have it easily, quickly, inexpensively.

LAKE TAHOE NEWS

"NEWS & VIEWS ABOUT THE LAKE"

by ANNE B. ANDERSON

TAHOE SCHOOL NOTES

Graduating exercises for the three members of the senior class of Tahoe Branch of Placer Union High school will be held on Friday evening, May 31st, at the high school auditorium in Auburn. The Tahoe graduates, Miss Patricia Henry, Miss Pauline Steinheimer and Jay Stark, attened rehearsal at the school in Auburn on Wednesday.

Miss Henry, who plans to enter University of California, took her subject A examination in Auburn on last Saturday.

A new pupil in the high school this week is Miss Ann Gallerani of Kings Beach, who is a transfer from the schools of Wareham, Mass.

The Tahoe Branch high school will sponsor the presentation of the play The Show Off by the Truckee Lions club on June 10th at the auditorium of the Tahoe Lake School.

—::—

Several deer have been struck on highways around the lake by motorists recently and Game Warden William LaMarr has been kept busy conveying the venison to the county hospitals nearby.

—::—

Miss Mary Edwards of the University of California entertained at a house party for fellow students at the family home at Sunnyside recently.

TAHOE CLUB DOINGS

Tahoe Women's club wll hold the annual election of officers on Thursday, June 6th, at the next meeting of the club. The next meeting of the Tri-county Federation of Women's Clubs will be held at Tahoe in September, acording to plans made at the last meeting of the group at Placerville.

The monthly meting of the Lake Tahoe Ski club will be held at the community center on Friday, May 31st, with Mrs. Sam Goss acting as hostess at the social hours of dancing which is scheduled to follow the business meeting. Refreshments will be served.

The Spring card party and dinner to be given by the ski club will take place Saturday, June 8th, at Tahoe 31stcommunity center. Dinner will be served from 6:30 to 7:30 p. m. and cards will follow with tables of bridge and pinochle in play. Mrs. Stella Watson will be hostess of the evening.

Members of the Lake Tahoe Gun Club have purchased a machine that moulds their ammunition. A scheduled tournament which was to be held at Tahoe Sunday with members of the Reno Gun Club was postponed until a later date.

—::—

MORE TAHOE NEWS WILL BE ELSEWHERE IN THE SUN

Tahoe News In Brief

The level of Lake Tahoe on Monday, May 27th, was 6227.92 feet.

Temperatures on Sunday varied from a high of 65 degrees to a low of 35. Highest temperature yet recorded for the season by government thermonmeters here was 74 degrees on May 24th.

Traffic was heavy over the week-end on all lakeshore highways with many out of state cars on their way to the fair noted.

Dr. and Mrs. George H. Hinkle of Lakeview drive are the co-authors of a revised edition of the History f the Donner Party by the latter's father, the late C. F. McGlashen of Truckee, just off the Stanford University Press.

Mr. and Mrs. Wilmer Brill of Colusa were guests at the home of the latter's aunt, Mrs. Willis Hevel on Sunday. Brill is the editor of the Sun-Herald of Colusa.

Mrs. George Collins of San Francisco was a guest at the home of her mother, Mrs. Stella Watson, last week.

Mr. and Mrs. Otto Fax of Auburn spent Saturday at Tahoe City where he directed the orchestra of the Tahoe schools.

Mrs. Emma Gargan returned to her Penryn home after a visit at the home of her daughter-in-law Mrs. G. H. Hinkle last week.

Henry F. Droste, George Kehlet and Howard Johnston made a trip to Placerville recently weher they met with the Placerville chamber of commerce in the interests of the Lake Tahoe-Sierra association.

A new sign, held aloft by cedar pillars, has been added to the Pine Crest Resort by owner Howard Johnston.

Miss Sue Hinkle returned to her Tahoe home Sunday after graduating from University of California Saturday. Dr. and Mrs. G. H. Hinkle attended the exercises.

Rev. G. J. E. Keetch of Truckee spoke on Memorial Day observance at the vesper service at community center on Sunday night.

—::—

Brockway Area Under Survey by Forest Service

TAHOE CITY, May 30— A survey of United States Forest Service tract at Borckway is under way this week, directed by Bob Howden of the Nevada City office of the Tahoe National Forest. A contour map of the tract is being made preliminary to opening up more lots for settling.

Ranger Charles Arment of Tahoe Park Public Camp is assisting in the survey.

Sunday School Picnic For Regular Students Planned

TAHOE CITY, May 30— Students of the Tahoe City Sunday school who maintained a perfect attendance record for May will be given a picnic and weiner roast at the grounds of the state hatchery camp grounds on Saturday, according to Mrs. Willis Hevel, superintendent.

Monthly beach picnics as a reward for good attendance were a feature of last year's program. Members and officers of the local branch of the American Sunday School Union hope to be be able to hold future monthly picnics at the beach on the Tahoe Community Center grounds on the common. It is also hoped to be able to secure the aid of the various civic bdies and some co-operation by interested citizens in the project.

Mount Rose Highway

Work has started clearing the Mt, Rose highway, which extends from the northeastern side of Lake Tahoe on U. S. 395, approximately 10 miles south of Reno, states the National Autombile Club. There is a heavy snow pack at the summit but the road is expected to be open by today.

WILL YOUR CAR SAVE MONEY LIKE THIS?
LET THESE PONTIAC OWNERS TELL YOU HOW THEIR CARS SAVE MONEY

"TOTAL REPAIRS FOR 26,000 MILES --$2.50"
"I have driven my present Pontiac 26,000 miles. I never have had to add oil between my 1,000-mile changes, my gasoline mileage is 16 to the gallon, *and* my total repair bills, $2.50 (two brake adjustments)."
"20 TO 21 MILES PER GALLON ON LONG TRIP"

"On a recent trip to Miami, we averaged 21 miles per gallon going and a little over 20 coming back. Our previous car was a large model—and we get better service from this Pontiac, besides lower price and upkeep."

"36,000 MILES $1.60 FOR REPLACEMENT PARTS"
"Am the owner of a 1937 Pontiac '8' . . . I have driven it over 35,000 miles and it performs as beautifully today as the day I got it. It has cost me for replacement parts just $1.60 for carburetor meter rod and jets."
"114,000 MILES AND 18 MILES PER GALLON"

"My 1927 Pontiac Cabriolet has now gone 114,000 miles. Recently, I drove it from Los Angeles to North Dakota, 2243 miles, on 127 gallons of gasoline and 4 quarts of oil. You can't beat a Pontiac!"

Pontiac
AMERICA'S FINEST LOW-PRICED CAR
IF YOU WANT A CAR that will not only give you the best there is in modern motoring, but also save money for you while it's doing it, go look at a 1940 Pontiac. *And drive it!*
Just take it around the block, if that's all the time you can spare. It's enough to show you that here's the kind of a car you'll *really* enjoy driving.
Notice the Pontiac ride—it's "Triple-Cushioned." Notice the smooth, quiet, determined way a Pontiac handles its acceleration. And notice particularly Pontiac's thrilling ease of steering and shifting gears. It's America's No. 1 "driver's car."
And you'll find it a penny-pinching miser on operating costs. Big gas and oil saving is only the start of it. Pontiac's "long-life" engineering builds a Pontiac for fine and economical service long past the mileage point where other cars are past their prime!
*Delivered at Pontiac, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

Here From Davis—
Miss Charlotte Carrau of Davis, former Truckee resident, attended the annual Knight of Pythias dance on Saturday evening.

At Home—
Mrs. Glenn Robinson and her small daughter arrived home last week from Sacramento.

In Oakland—
Mrs. Frank Gaiennie is in Oakland visiting her son-in-law and daughter, Mr. and Mrs. Ray Sykes, and her grand-daughter, Mavon, who was born in the east bay city recently.

Here From Oakland—
Miss Mary Augustus of Oakland visited here last week-end.

Return to Truckee—
Sgt. and Mrs. C. E. McKeen and the couple's small son returned from Illinois recently and were guests of Mr. and Mrs. N. F. Dolley on Sunday.

Return from Roseville—
Mr. and Mrs. F. S. Powell returned from Roseville Saturday where they were guests of friends.

Visitors from Roseville—
M. T. McCallen and son, Buddy, with the Misses Elaine McCallen and Elanor Herr of Roseville, visited with local friends Saturday.

Here in June—
Miss Lois Keetch will arrive at the home of her parents, Rev. and Mrs. G. J. E. Keetch, next month, following close of classes at Colinga junior college.

Engagement Told—
Miss Genevieve Payen, daughter of Mr. and Mrs. E. E. Payen of Folsom, will marry Raymond A. Caples in November it was revealed.

To YubaCity—
Rev. G. J. E. Keetch and son, George, made a trip to Marysville and Yuba City Tuesday.

Grass Valley People Here—
Mr. and Mrs. John D. Truscott, the former mechanical superintendent of the Grass Valley Morning Union, were in Truckee Sunday.

Maxsom in Hospital—
Robert Maxsom, widely known local resident, is reported in a serious condition in a Reno hospital suffering from a heart ailment.

Arrive Here—
Mr. and Mrs. M. R. Miller arrived here on Tuesday from Marysville. Miller is employed by the state highway department.

From Auburn—
Levon Joseph has been visiting his family here this week but plans to return to Auburn where he is employed.

In Hospital—
Mrs. H. I. Snider was reported to be recovering from an appendectomy performed in a Reno hospital last week.

Publishers Visit—
Mr. and Mrs. Wilmer Brill, publishers of the Colusa Sun-Herald, visited briefly in Truckee Sunday.
